2026 EPK

10 YEAR
ANNIVERSARY TOUR

BIOGRAPHY

Virtuosic septet
channeling the spirit of
1920s-'30s Harlem, Kansas
City and New Orleans jazz

Whether in their widely acclaimed, lingo-slinging, all-singing-and-dancing cabaret show or delighting festival audiences with their enormous repertoire and own songwriting, The Easy Rollers are a septet who embody the famed spirit and consummate virtuosity of today's booming British jazz scene and bring it straight back to the music's roots in 1920s and '30s Harlem, Kansas City and New Orleans.

Fronted by the captivating Dani Sicari, whose time-machine of a voice is evocative of early greats like Helen Kane and Ruth Etting, The Easy Rollers have long established a reputation for delivering performances that channel the in-the-moment dynamism of the Jazz Age at the height of its cultural grandeur. Arising from their love of the tradition, they take pride in marrying a conscientious approach to authenticity with their mission of ensuring that this effervescent era of jazz is never presented merely as a nostalgic museum piece.

The band cut their teeth performing stages including Manchester Jazz Festival, Cheltenham Jazz Festival, Lake District Summer Music Festival, Buxton International Festival, Brecon Jazz Festival, Marsden Jazz Festival, and the Edinburgh Festival Fringe in the band's formative years. The Easy Rollers' recent UK tours encompassed RNCM Concert Hall, Liverpool Philharmonic Music Room, Cedars Hall, Clonter Theatre, and jazz clubs Peggy's Skylight, PizzaExpress Live Holborn and Toulouse Lautrec.
